

Presentations and Answers Elaboration Rubric

		Grade		
		7.0 (Capstone)	5.0	3.0 (Benchmark)
	Language	Language choices are thoughtful and generally support the effectiveness of the document. Language in the document is appropriate.	Language choices are mundane and commonplace and partially support the effectiveness of the document. Language in the document is appropriate.	Language choices are unclear and minimally support the effectiveness of the document. Language in the document is barely appropriate.
	Question	Question is stated clearly and it is creative and unique.	Question is basically understandable or it is an ordinary question.	Question can be deduced or it is a repeated question, not creative at all.
	Explanation of issues	Issue/problem to be considered critically is stated, described, and clarified so that all necessary information for full understanding is delivered.	Issue/problem to be considered critically is stated but description leaves some terms undefined, ambiguities unexplored, boundaries undetermined, and/or backgrounds unknown.	Issue/problem to be considered critically is stated without clarification or description.
	Answer	Answer is consistent with the question and it is well supported by appropriate technical explanations.	Answer is consistent with the question or it is well supported by appropriate technical explanations.	Answer is barely consistent with the question or it is not well supported by appropriate technical explanations.

Evaluators are encouraged to assign a grade 1.0 to any work sample or collection of work that does not meet benchmark (cell one) level performance.
